

2023 ACTIVITIES COMMITTEE REPORT FOR MYRTLE TRACE ANNUAL MEETING 02/03/2024

The Activities Committee is a financially independent committee for planning, implementing, buying foods, drinks, supplies and decorations for all Myrtle Trace events. Activities are not funded through the Myrtle Trace Board of Directors Treasury and therefore admissions to events cover the costs of expenditures. Some events at Myrtle Trace do not fall under the Activities Committee, such as card clubs and recreational activities like bocce ball and shuffleboard.

The Activities Committee meets the second Monday of every month except July at 7:30 PM in the clubhouse.

In the year 2023, the Activities Committee has managed over 80 events including:
