Delivery of the 2023 July News and Views:

Friday, June 30, 2023

We'd like to thank our News and Views carriers as we've asked them to be on the lookout for vacant homes when they make their monthly deliveries. We are trying to get an accurate number of how many homes we will be delivering the special edition of the October Calendar.

At the June 2023 BOD meeting, Joseph Martin, MT's Webmaster, will be presenting an update on our Web site and the plan to replace our current application to Word Press, a web content management system.

We'd also like to thank our fellow resident, Leonard Sansone, for his donation of an American flag which he received from the USO. It will certainly be put to good use in honoring our country and community. We'd also like to acknowledge and thank Leonard for his service as a drummer in the USO where we understand he entertained our troops worldwide. A note will be posted in the July News and Views thanking Leonard for making a difference to our service men and women.

Respectfully Submitted

Mary Johnsen-Schaeffer, Communications Committee Chair
