It's time to prepare for the 2020 Spring Season of Myrtle Trace Mini-Golf. Once again, we look forward to having a good time together and getting to know each other a little better. This group is open to all Myrtle Trace residents and their guests.

The cost will be \$8.00 per player per round for non-season pass holders. Season passes are only available online at www.myrtlebeachfamilygolf.com. Once you order your pass online, call 843-315-0318 to schedule your photo ID appointment. (I have also made arrangements to do this as a group on March 3rd for those that have not already done so. Please let me know if you plan to do the photo on March 3rd so I can give them the number of people to expect.

Remember, scores don't matter, this is for fun. However, please turn in the score card for your group after each game and let us know of any "hole in ones". Let's just get out there and have some FUN !!!

MEET YOUR NEW NEIGHBORS

M. Lee and Jannine S. Sutherland
110 Cedar Ridge Lane

We moved from Maryland to South Carolina at the end of January 2017 where we rented a condo in the Barefoot area until buying our home in mid-March 2017.

Jannine is a born and raised Washingtonian, attended college in Illinois and business school in New York City. She was employed as an administrative assistant with various firms in the DC area before settling into the banking business where she worked in the back office in the Leasing/Real Estate Department first with the Chevy Chase Bank and then Capital One. She retired in 2014.

Lee was born in Baltimore, Maryland a long time ago. After high school he spent three years in the US Army Construction Engineers stationed in South Carolina, Missouri, California, Virginia and a year and a half in Germany. He attended the University of Maryland and the Johns Hopkins University in Baltimore. While in high school and college, he worked at one of the largest Baltimore Civil Engineering firms. Over a period of 18 years there and with other firms, he rose from a position of draftsman to Project Engineer before establishing a Consulting Engineer, Surveying and Land Planning firm in Columbia, Maryland as President and Chief Engineer. After 20 years Lee sold that business and became an independent Engineer/Planning Consultant finally retiring in 2010.

We both enjoy traveling especially with a wildlife theme. We have been to South American, Canada, Alaska, Mexico, Bermuda, Africa, the Caribbean and Antarctica. We went to Bermuda on our honeymoon on the Holland American Line, Volendam, along with 600 other travelers. Since then our ship travel has been on smaller and smaller vessels down to forty-five feet long.

We have volunteered our services and talents with numerous nonprofits in the Washington area including Make-A-Wish Foundation, Christmas in April/Rebuilding Together, and Friends of the National Zoo (FONZ) at the National Zoo in Washington, DC. Lee also volunteered for 15 years as a consultant and board member at a private Special Education School in Rockville, Maryland.

We have a 1967 Ford Galaxie convertible (Lee's oldest brother bought her new) and have attended numerous car shows and cruise-ins. Also, before moving to SC, we have been involved with a chapter of the Antique Automobile Club of America (AACAA) in Maryland for over ten years. Both of us are truly enjoying living in South Carolina and particularly the Myrtle Trace community.

Wally & Joyce Englehart
228 Cricket Court

Wally and I are originally from New Jersey and made our way here by way of Virginia and Florida. We are here to stay, no more moving.

Wally was both a volunteer and professional firefighter for 50 years. After retiring from his professional career, he became a Building Inspector for 20 years.

I was a family law paralegal for 35 years and volunteered in my town as an EMT and also a Council person.

We were blessed with four children and now have eight grandchildren. Wally's main hobby is

MEET YOUR NEW NEIGHBORS

Geralyn and Terry Hartman 237 Cottonwood Lane

Terry and I are newlyweds having been married a year and half ago, and we moved from the Poconos of Pennsylvania on June 29th of last year.

Terry took an early retirement after teaching Special Ed for 19-1/2 years, and I currently work part-time at Publix.

We truly love this community and are hoping that some of our family and friends will eventually follow us down here. Thank you for welcoming us to the community.

Vanessa and Lonnie White 102 Cricket Court

We moved from Durham, North Carolina in June 2017. And as of January 24th we have been happily married for one year!

Both Lonnie and I are sports coaches, with Lonnie being a former tennis pro and now teaching tennis at the Myrtle Beach Tennis Center which offers private and group lessons. Lonnie is also a photographer with 20 years experience. I am the Assistant Coach for the

MYRTLE TRACE MINI-GOLF

The group of Myrtle Trace Mini Golfers finished up our fall 2017 season November 7. We followed the season with a lunch at TBonz on November 14. We had a great time playing mini golf and visiting with our fellow Myrtle Tracers.

There were 22 regular players, and a total of 29 different people that played throughout the season. We played a total of 163 games and between us we scored 140 hole in ones.

Many of those that played this season expressed interest to continue playing throughout the fall/winter. If the temperature is above 50, and it's not raining, we will continue to meet at Dragon's Lair on Tuesday mornings at 10:00AM as long as the weather holds out. Remember, this is "just for fun" so all are welcome to join us even if you were not able to play during the fall season.

For those interested, the 2018 season passes will be available beginning Friday, November 24th at Dragon's Lair. The price will be the same as last year (if I recall correctly, it was \$69.99 plus tax). This pass can be used for play anytime from the date of purchase till December 31, 2018 at any of the following 5 courses: Dragon's Lair, Captain Hook's Shipwreck Island, Jungle Safari, and Jurassic Golf.

ARCHITECTURAL REVIEW COMMITTEE

The Architectural Review Committee has had another busy and productive year. Thank you for your diligence in maintaining your properties and helping us keep Myrtle Trace the beautiful place we all call home! We wish you a healthy and happy New Year in 2018 and remind you to keep those Project Request Forms coming.

NEIGHBORHOOD WATCH

This being the end of the year, we need to watch out for Scams and places being called charities coming to your home looking for your hard-earned money. Do not fall for these scams. Give all you want to legitimate charities but remember, we have a No Solicitation policy.

We recently had an incident where a man claiming to represent A T & T, was approaching residents in the evening. No legitimate service company will show up at night unannounced. On another occasion, a man from Direct TV claimed to be responding to residential requests to get his foot in the door. We need to be observant and we need to use the Horry County Police Non-Emergency number (843-248-1520).
