Myrtle Trace

A Newsletter by Myrtle Trace Residents for Myrtle Trace Residents

August 2022

BOARD BRIEFS

Proposed Policy – There is an existing policy on residents parking of trucks, RV's and campers. However, there isn't a policy dealing with **visitors** parking these types of vehicles. We, the members of the Board, believe it is important to clarify and have a specific policy so there is no misunderstanding regarding the privilege to park vehicles in the area of Pear Tree Circle. The proposed policy can be found under ***Items for Board Action*** in this issue of *News & Views*.

Wildlife – The clearing of a large amount of land in our area has disrupted the habitat of our wildlife. In the past few months, residents have sighted coyotes, foxes and bears in their neighborhood or own backyards. The animals will stay in our area for only a short period of time and move on when they find a place they can call home. However, we ask that you do not put any food out for them and make sure your garbage can cover is secure to discourage the animals from getting any leftovers.

County Ditch – I noticed a beaver dam in the county ditch next to my property. I notified the Storm Water Department of the situation and they sent out a representative to look at the situation. I spoke with Jonathon, a Storm Water representative, and he informed me there are several beaver dams and the one close to the hospital is quite large. He said they would have someone come out and get the beavers after which the beaver dams will be destroyed and they will then remove the dam materials and bush hog the county side of the ditch. While talking to him he said he wanted me to look at the pipe which goes under Burning Ridge Road. This pipe is compromised and I was shown pictures of the interior of the pipe. He was going to send the information to his superior and have him notify the SC Department of Transportation to make them aware of the condition of the pipe.

Temporary Closing of Burning Ridge Road – As described above, the pipe which goes under Burning Ridge Road is compromised; it is rusted and the section behind Timberline Drive is tilted upward so the water isn't able to flow through it the way it should. Actually, much of the water coming through is coming around and under the pipe. I talked with Corbin, a representative of the SC Department of Transportation (SCDOT) who came to examine the pipe. He agreed the pipe needed to be replaced and was marking the area to determine the length of pipe needed. He did not know at that time when the pipe would be replaced. Corbin called me on July 14th to give me an update. The SCDOT has asked locators to come out and mark any electrical, water or other lines which may interfere with replacing the pipe. Also, they plan to post a message board on August 1st notifying drivers that Burning Ridge Road will be closed. This message has to be posted at least a week before the closing the road. The road will be dug up, the old pipe removed and a new plastic smooth bore pipe put in place. The hole will be filled in and that section of the road repaved. At this time, the exact dates for the project or how long the road will be closed, is unknown.

Accounts Payable Position – The members of the Board and Jim Luneke interviewed four candidates for the Accounts Payable position. Each one was well qualified for the position which made the decision very difficult. At the July 20th Board meeting Cathy Smith was hired as the independent contractor for Accounts Payable. We thank the other three candidates for meeting and interviewing with the Board for the position.

ACTIVITIES COMMITTEE

The Activities Committee did not have a July meeting and so there is no new business to report. July 4th was a very special and fun event. Thank you for being a part of it.

Upcoming events include our next committee meeting which will be on Monday, August 8th, Jazz in the Park featuring the Standard Time Band on August 7th, Casino Night September 23rd, Craft Fair and Bake Sale October 15th, and the Halloween Dance featuring the Doo-Wop Forever vocal group on October 30th. Look at the monthly News & Views for details of upcoming events. Also, please come to our committee meeting to provide fresh, new ideas! See you August 8th at 7:00 pm in the Clubhouse.

Bob Smith

MYRTLE TRACE MINI - GOLF

Fall is coming! The Myrtle Myrtle Trace Mini Golf group will begin our fall season on Tuesday, Sept.6, at Captain Hooks. The group plays each Tuesday morning at 10:00 at various courses for 10 weeks. All are invited to join us. Please contact the Coopers at 843-347-2969 or email to 2gcoops@gmail.com for further information or to be added to the roster and obtain a complete schedule for the fall 2022 season.

MYRTLE TRACE LOGO POLO SHIRTS & SWEAT SHIRTS

Orders may be placed by contacting Ted Ackley by phone (843-602-1991) or by e-mail (tedack@scoast.net). He has a chart of available colors.

PROPERTY COMMITTEE

NEW VOLUNTEERS: A warm welcome to the four (4) new members of the Property Committee who are mentioned in the Board Briefs. Elizabeth Borkowski has resigned as Phase 8 Rep. and we appreciate her service.

POOL: Due to some of our pool users sitting on our rope, it has broken and will need to be replaced. This rope is for our safety and to delineate shallow water from deep water. Please do not use or let your family use it as a jungle gym. When Monitors ask you to please stop sitting on it, bouncing on it, etc., please comply. Included in the N&V will be a copy of the Pool Rules. Please read them. Owners must be present to sign their guests in. If they are not, guests are not allowed in pool. For the months of May and June, we are very happy and pleased to announce that 2000 people have made use of our pool. (The numbers are tallied on our Pool sign-in sheets.)

CLUBHOUSE: New gutters have been installed over the main entrance. Weather and seasonal temperature permitting, they will be painted the same color as the Clubhouse.

COMMON PROPERTY IN FRONT OF HOMEOWNER'S HOUSE: Only following a named storm is yard debris allowed to be placed on HOA Common Property for collection. All other times it is the homeowners responsibility to dispose of such debris.

MYRTLE TRACE GOVERNS ITSELF BECAUSE WE HAVE WONDERFUL AND DEDICATED VOLUNTEERS!

Liz Maass

Thank You

Dear Friends,

We want to thank all of you for the many cards and condolences offered with the passing of our wife/mother/grandmother, Jean Angersbach. Jean treasured every day of the quarter century she spent living with Kurt in Myrtle Trace. We are comforted with the knowledge that she was so deeply cared for and loved by this community. Please join us for a memorial service honoring Jean: Friday, Aug. 12, 2022. 11AM Christ the Servant Lutheran Church in Conway.

With love,

Kurt, Karin Karl and family

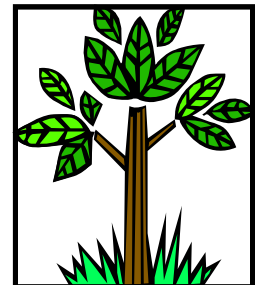

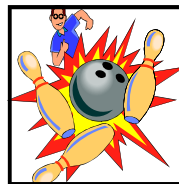

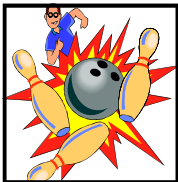

CRAFT SHOW

Our Fall Craft Show & Bake Sale will be held at the Clubhouse on October 15th from 10 am until 2 pm. This event has always been well attended and a lot of fun. Interested vendors can reserve a space/table beginning September 1st. Look for the flier in September's News & Views. Tables are \$10. All money from table sales, as well as the bake sale, will go to support the Activities Committee in order to offset some of the free gatherings offered during the year.

The back gate will be open that day and balloons will be placed along MTD to direct customers to the clubhouse. Lakeside Crossing will be hosting their Craft Show that day also. This should help bring customers to our show as well as to theirs. Also, large signs advertising the sale will be at both entrances to Myrtle Trace the Sunday prior to the event.

As bake sale items will be offered as well, I am looking for volunteers to bake and provide one batch of cookies: type of their choosing. I will need them no later than noon on Friday, October 14th. From the cookies received, I will be creating packages of assorted treats (6 or 7 per container) and will place them in clear plastic quart size containers. I already have the containers. This should be a quick and easy way to sell the baked goods.

Please contact me via email saralee53pa@gmail.com or text or call (724) 462-3905. Thanks ahead of time for all your help and support. I am looking forward to hearing from you.

BOWLING

Myrtle Trace bowlers are now bowling as part of the Senior Strikers league. The league bowls each Thursday morning at 10:00 at Myrtle Beach Bowl on US 501 between Camping World and Bob Evans. There will be an organizational meeting of the league on August 25th at 10:00 am followed by free bowling. League play will commence on September 1st. Teams will consist of three bowlers in any combination of men and women.

For additional information, please contact Ted Ackley at 843-602-1991 or tedack@sccoast.net.

MYRTLE TRACE-MART

Is a service of the News & Views which accepts NO responsibility for any claims made in an ad. Ads for businesses conducted by Myrtle Trace residents or others will not be accepted. Ads will be published for three (3) months unless cancelled or renewed.

BOARD BRIEFS (cont'd)

Communications Chair – Ted Ackley announced his “retirement” as chair of the Communications Committee. He has served as chair since the Communications Committee was first formed in 2009. Ted will remain as a member of the committee. We thank Ted for his many years of service as chair. Mary Johnsen is the new chair for the Communications Committee. Welcome Mary, and thank you for accepting this position.

Cricket Court Sidewalk – The Board approved expenditure of \$10,160.00 to replace the portion of the sidewalk on Cricket Court which is on Common Ground. The anticipated length of the project is five days. The cost of the project will come from Reserve Infrastructure Funds, not the daily operating budget.

Copy Machine - Ted Ackley recommended the purchase of a new copy machine. The cost of the new machine is \$7,364.52 and the price includes \$1,500.00 trade in value of our old machine and all taxes. The current machine was purchased in 2017 and with the number of copies which have been run it is approaching the stage where major repair could be needed. The Board approved the recommendation for the purchase and the cost will be paid from the Designated Fund for Major Repairs/Replacements, not from the daily operating budget.

Committee Changes Announced - Property Committee has four new members: Lee Marino, Phase VII, Joe Bastian, Phase VII, Tina Hurley, Phase VIII; and Leon Dieter who will be assisting Tom Gray with the Lakes. The Architectural Review Committee has two new members; Santo Perry and John Shandra. It is great to hear of more members of the community getting involved with our committees.

Nancy Southard

ITEM FOR BOARD ACTION

The Board is recommending a new policy which reads as follows:

POLICY on TRUCK, RV and CAMPER PARKING:

Overnight guests of residents, who own a truck, RV or camper must obtain a parking permit and park the vehicle in the Pear Tree Circle area. The vehicle is for parking only; it is not to be occupied while in the parking area. The guests are to reside with the Myrtle Trace resident during their stay in Myrtle Trace. Violation of this policy is subject to the System of Fines for Trucks/Recreational Vehicle Parking.

Residents who have questions or concerns regarding this proposed policy may express them during the Resident Participation portion of the August 2022 MTHOA Board of Directors meeting or send an email, prior to the meeting date, to a member of the Board.

MYRTLE TRACE NOMINATING COMMITTEE

The 2022 Myrtle Trace Nominating Committee was named at the last Annual Meeting held in February and is now operational. Members of the Committee are: Claudia Allensworth, Donna Ebling, Pat Hosford, Lynda Moore, Cathy McElroy, James Parish, Bob Smith, Lee Williams, and Bill Fox, Chairperson. The first official meeting of the Committee will take place in September. The duty of the Committee will be to find candidates to replace two members of the Myrtle Trace Homeowner's Association Board of Directors. The goal will be to secure a minimum of four candidates but more than that number would be excellent.

If you are interested in running for one of these positions or if you know of individuals who would consider running, please submit the name(s) to a member of the Committee listed above. Committee members will follow up, secure the necessary paper work, and submit the individual names to the group for consideration as potential candidates.

MEET YOUR NEW NEIGHBORS

We enjoyed meeting your new neighbors at the most recent New Residents Orientation on June 26, 2022 and asked them to fill out the Meet Your New Neighbor form so that you can see where they hail from, what they did in their previous lives and where their interests lie. We hope you'll have a chance to get to know them and welcome them to Myrtle Trace.

MARGUERITE BACON AND PEGGY BACON, 213 CEDAR RIDGE LANE

We moved from Gilbertville, MA and we were attracted to MT because of the location. My mom, Marguerite, was an Administrative Assistant and 60 years a farmer's wife. I was an RN, Critical Care to Administration, and my best career move was easy retirement, learning to ski, playing pool and house sitting. My Mom does jigsaw puzzles, word games and watching the wildlife from her chair. I like to read – novels to current events, cooking/baking, live music, especially bluegrass/country, and traveling to places that are not on everyone's list.

Fun Facts: Neither of us ever had a garage, a home without manuals, a heat pump (when can you shut off the A/C and let the air in, or keep it so the heat won't go on at 4:00 in the morning..), water filter, sprinklers or had to manage/deter critters, that thrive in SC all without any manuals. Life is good.

PAUL AND JILL LEE, 1218 LOBLOLLY LANE

We moved from Illinois and we were attracted to MT because of the location and weather. Paul worked for the Illinois Department of Transportation. We enjoy golf, the pool and beach.

LISA ANN CAREY MAYNARD, 230 CANDLEWOOD DRIVE

I moved from Alexandria, Virginia and was attracted to MT because it's an active 55+ community, has beautiful homes on the water and mature trees. I worked for the Department of Justice investigating fraud and my specialty was Medicare. First case I worked turned out to be (at that time) the biggest Medicare fraud in history. I enjoy history, reading, classic movies, bull riding and Audie Murphy. **Fun Facts:** For 30 years I watched over Audie Murphy's grave, ensuring that he always had a Flag and flowers. Mrs. Murphy called and thanked me(!). I spent one day on Iwo Jima, raised the American Flag atop Mount Suribachi. For 18 years I was the "Cookie Lady" to the Sentinels at Arlington National Cemetery's Tomb of the Unknown Soldier, baking and cooking for them, nearly every weekend and holiday visiting the Tomb Guard Quarters. And my Uncle Paul Maynard was one of the last killed in WWI, and worked with the American Battle Monuments Commission to produce an award nominated short film, "Never Forgotten." In his Paris speech to mark the 100th anniversary of the end of WWI, President Trump paid tribute to Paul's life and sacrifice, and sent me a personal letter (saying he admired me!).

JOYCE SAURUSAITIS, 1200 LOBLOLLY LANE

I moved from Palm Beach Gardens, Florida, and was in Hudson, NY prior to that. I moved here for a very important person. I was an RN for many years and also was involved in dairy farming. I like to knit, crocheting, family, cooking/baking, helping people, walking and exercise.

PHILIP DOHERTY, 119 JUNE BERRY LANE

I moved here from Newark, Delaware. Two of my friends that moved here found the house for me, and I actually bid on another house first. I worked at Shoprite for 48 years. Golf is my hobby so it's great being here. I fish a little, and enjoy going to Huntington Beach State Park with my Irish Setter, Danny Boy.

MICHAEL AND DEBORAH HEBERT, 107 DOGWOOD CIRCLE

We moved from Vermont where Michael was a State Representative and School Board member for 30 years. Deborah was a Medical Practice Manager and School Board member for 19 years. Michael enjoys golfing and I enjoy bingo and reading. We're very excited to be living in MT.
