Myrtle Trace

A Newsletter by Myrtle Trace Residents for Myrtle Trace Residents September 2022

## BOARD BRIEFS

### BOARD ACTION TAKEN

The Board approved a recommended policy on guest parking of Trucks, RVs, and/or Campers as proposed at the July 20th meeting of the Board of Directors. The approved policy is as follows:

### POLICY on TRUCKS, RVS AND CAMPER PARKING

Overnight guests of residents, who own a truck, RV, or camper must obtain a parking permit and park the vehicle in the Pear Tree Circle area. The vehicle permit is for parking only; it is not to be occupied while in the parking area. The guests are to reside with the Myrtle Trace resident during their stay in Myrtle Trace. Violation of this policy is subject to the System of Fines for Trucks/Recreational Vehicle Parking.

The proposed policy was published in the August issue of the *News & Views*. The actual approved guideline is being published in the September issue of *News and Views* making the change enforceable and in compliance with the Board Policy on Publication Notice.

### NOMINATING COMMITTEE

Two new members have been added to the Myrtle Trace Nominating Committee. They are: Ginny Cooper to replace Claudia Allensworth and Tom Gray, Jr. to replace Cathy McElroy. Both will serve a one year term.

### RESIGNATION OF ADMINISTRATIVE CONSULTANT

The Board accepted the resignation of James H. Luneke, Administrative Consultant, effective April 1, 2023. The members of the Board and those attending the Board Meeting thanked Jim for his many years of service to the Board.

### ADMINISTRATIVE CONSULTANT POSITION

The Administrative Consultant Position is included as a loose insert in this issue of *News & Views*. Applications will be accepted through September 16, 2022.

### INBOUND GATE

At press time, our inbound gate at Myrtle Trace Drive and Myrtle Ridge Road was not operating. We have been working diligently with the contractor to restore it to normal operation.

**MTHOA/HOMEOWNER AGREEMENT** : Homeowners who wish to maintain their own lawns may request approval during the month of September. You will find the form in part B of your MTHOA Guidelines and Policy Book. Please do not use the original but make a copy and fill it in. Deposit it in the MTHOA slot at Clubhouse no later than Sept. 30th. There will also be copies in our Clubhouse by the telephone.

**NO PARKING ON THE GRASS**: There has been an influx of residents, contractors and heavy vehicles parking on common ground. Underneath the grass are the water lines to our homes plus our watering systems. It also kills the grass. Please advise your friends or relatives, or workmen coming to your home to park in your driveways or on the street.

**LEAVING FOOD OUT FOR WILD ANIMALS**: Since the new construction all around us, we have had: bears, deer, foxes, an alligator, turkey buzzards, feral cats and now, **rats**. Do not leave food out. The rat population maybe thriving on those treats left outside. **PLEASE, DO NOT FEED THE WILDLIFE**. Make sure your garbage cans are also tightly closed.

**GATE**: The incoming gate mechanism no longer worked. Gate was left up for a couple of weeks until new system could be installed.
